

# R1 SERIES™

## Fleet Series Dash Cam

## Features

- ✓ 1080p High Definition
- ✓ Tamper Proof Design
- ✓ 128GB SD Capacity
- ✓ Locking Storage
- ✓ Impact Sensor
- ✓ GPS with Speed Alerts
- ✓ Night-Vision Module
- ✓ Optional Wired Camera

### Reliable Witness

Onboard GPS and G-Sensor capture live GPS and Inertia data. Precise speed, location and impact information is synchronized with video during playback.

### Integrated Security

Hard wired power cord and lockable storage prevents tampering and disconnect by vehicle occupants.

### Convenient Access

An easily accessible SD Card slot on the side of the R1 allows for secure and convenient video retrieval.

### Night Vision Module and Optional External Camera
